Re: Applications of Verestar, Inc.  
(Debtor-in-Possession) for Consent to  
Assignment of Licenses to SES Americom, Inc.

Local Television Transmission Service Callsign KA86437

IB Docket No. 04-174

Dear Madam Secretary:

On December 1, 2004, the undersigned submitted a letter to the Commission on behalf of SES Americom, Inc. ("SES") giving notice that the assignment of certain of the licenses covered by the above-referenced applications -- including both earth station and terrestrial wireless licenses -- had been consummated ("Notice Letter").<sup>1</sup> Exhibit A to the Notice Letter listed the licenses that had been assigned to SES. Exhibit B to the Notice Letter listed various earth stations and wireless licenses (for facilities associated with the Cedar Hill, Texas teleport and related video distribution network) that had not been assigned to SES, but instead were to be assigned to a third party upon receipt of Commission approval for same (the "Cedar Hill Licenses").<sup>2</sup>

Through an oversight, one Local Television Transmission Service license -- call sign KA86437 -- was inadvertently listed in Exhibit A to the Notice Letter instead of Exhibit B. SES hereby corrects the Notice Letter to specify that KA86437 was not assigned

<sup>1</sup> A duplicate notification covering the wireless licenses involved in the transaction was filed with the ULS system.

<sup>2</sup> On December 17, 2004, Verestar, Inc. (Debtor-in-Possession) filed applications seeking consent to the assignment of the various earth station (FCC Form 312) and wireless (FCC Form 602) licenses listed in Exhibit B to the Notice Letter (plus others) to Cedar Hill Texas Video Network LP ("CHTVN").

to SES. The ULS notice of closing also will be corrected. KA86437 is to be assigned to CHTVN along with the other Cedar Hill Licenses, and the Form 602 filed on December 17, 2004, will be amended accordingly.

If there are any questions regarding this matter, please contact the undersigned.

Respectfully submitted,
